

ETON VILLA

EXPLORE THE WORLD OF CONCRETE HOMES

USA is dedicated to creating beautifully and creatively designed, sustainable, energy efficient, affordable, durable, and safe homes that give many more Americans a shot at homeownership. Inspired by extensive architectural and engineering work, our goal is to provide buildings that are more than houses – our concrete insulated homes are designed to be homes that will last decades with minimal maintenance and make homeownership more affordable. These homes are modern yet timeless.

COMFORT AND COMMUNITY

A jewel box of a home, the Eton Villa is thoughtfully balanced when viewed from the street. The modern home is ready to look good for the next 100 years. Designed for maximum family comfort as well as easy entertaining, the Eton Villa has a spacious master suite, a walk-in closet and beautiful master bath, 2 additional bedrooms with a Jack and Jill bath. The home includes enough space for a chef's kitchen, two-car garage, a large outdoor patio which allows for outdoor entertaining, and a nice size storage closet.
